Scandinavia

Description

I spend some time in Sweden in the summers and Iâ??ve done a several rides in the area.

Skalstugan and old FrÃ¶Ã¥ mine

Skalstugan

I made a day ride to Skalstugan close to the Norwegian border and then returned via FrÃ¶Ã¥ gruva, an old copper mine mined 2-300 years ago, where I had a very nice lunch and then back to Duved.

Lofoten

default watermark

I have read and heard about the natural beauty of Lofoten in the north of Norway. Beautiful scenery and quaint fishing villages as well as a beautiful road snaking itself between the islands of Lofoten over bridges and trough tunnels.
